

MIVCA Meeting 9/10/17

Board Members Present: Angie, Vicky, Jodi, Jean, Robin, Betty, Terra, Michelle, Dianne & Claire.

Financial Report

- Potential glitch with account, including EIN. Wrong EIN is put on account currently. Strip account says it's incorrect. Dianne is going to do more research to figure out the correct account # before the IRS closes it down. If we cannot confirm or deny we will apply for a new number.
- Financially we are doing good.

All Star Match Re-cap

- Clinic went well. Bre and Terra will communicate on better prep as far as clinic and timing. Clinic kids loved posters and interactions with All-stars.
- Timing of clinic and organization from participants
- Kids sent thank you notes to Terra, they enjoyed the process.
- Scholarships at the Luncheon, walk stage and get a handshake and award. Change attire for recipients to business casual.
- MHSAA cannot approve for the All-star match to be during the school year. Andi is going to get back to us on if the all-star match would or would not work during the school year.
- As of now we will plan to keep the same date for next year, Friday July 13th, 2018.
- How do we get more teams and coaches in the audience.

MHSAA

- Feedback from finals were fantastic. Hospitality area and experience for teams was very positive. GREAT experience.
- Signs say "class" and we're switching to "divisions"
- Difference- Classes is how we classify our schools. Basketball and volleyball go by classes. Divisions break up the by how many schools sponsor the sport, not by school. ONLY 17 total volleyball schools will change from class to divisions.
- You will know your division is March, same timeline as other sports. Take a snapshot of the count day. We have 4 divisions.
- She will send out everything we need to know. Good article on MHSAA website.
- Best 2 out of 3, should be all 3 games to 25 pts! Any varsity match has to be 25 points, no matter what. In a 5 games set the 5th goes to 15, that is the ONLY time you play to 15. Varsity should NEVER play to 21.
- ALWAYS have a libero tracker.
- Final four starting at noon.
- Discussion of basketball/volleyball season.

Website Update

- It's up and running. Working through updates.
- Who can send updates to Josh? Make sure we give him time, his goal is 48 hours. More realistic is 5-7 days. August-November we will have A LOT of interactions. Make sure if it's your area you have gone through it for all edits and it's ready to go on the site when you send it to him.
- What can they do online? Excel spreadsheet online. Transcripts have to be mailed. Scholarships currently download the form then mail. All-state download the form, fill out and email or mail. All-region forms to go region rep.
- People who are sending updates to Josh:
