

Responsibilities of Varsity Coaches: All Region / All State Information

COMPLETE ALL OF THE FORM INFORMATION OR IT WILL NOT BE ACCEPTED AT THE ALL STATE LEVEL FOR CONSIDERATION. INCLUDE THE RESULTS OF YOUR SEASON, TOP PLAYERS IN CLASS AND LOCAL NEWSPAPER CONTACT.

1. Make sure you are a MIVCA member for the current year.
2. Make sure you **meet all the deadlines** for paperwork.
3. **IMPORTANT:** If you have **any** potential “impact” players on your team you need to send their name, school, position, grade and tourney schedule to Angie Del Morone no later than September 1. A list of players will be compiled and sent on to all the Region Representatives.
4. **Contact your Region Representative.** Send your representative a season schedule as soon as possible. Check website for listings. If there is not one, consider being one and contact Angie.
5. **Communicate** throughout the season with your Region Representative. It will help you stay informed. Find out when and where your Region meeting will be held. **Make a point to be at that meeting.** Contribute information and comparisons of players in your region so **THE BEST PLAYERS** may be represented at the region level and for potential consideration at the State level. Even if you do not feel you have a player, please attend the Region meeting and give your input.
6. **Send All State forms filled out clearly, completely and accurately** to your Region Representative by **the Monday of Districts**. If that is not done your player should not be considered for Region or All State consideration. You may update statistical information at the meeting.
7. **Submit a 90 second DVD** to your Region Representative if your player is going on for All State consideration. They should receive the DVD well in advance of the All State meeting so they can review it and be able to promote the player.
8. Check the MIVCA website for statistical guidelines.
9. Communicate with the All State Chairperson, Angie, if you have additional questions or need clarification. Please email me: avolley@comcast.net (subject: All State) or 810-252-5623.

DVD Guidelines:

1. The DVD should be no longer than 90 seconds of **HIGH SCHOOL COMPETITION**, with no commentary.
2. Clearly mark DVD: Player name, jersey number, school and Region.
3. Highlight player in HS game situations. Committee members want to see an All State nominee’s offensive and defensive abilities, transition, coverage, etc. during **High School competition**, not in isolation.
4. DVD should be a clear presentation of the nominee **during H.S. competition and easily distinguished from others** on the court.
5. Submit separate DVDs for each nominee. Make sure the DVD works.
6. Submit the DVD to your Region Representative well in advance of the All State meeting so your representative may review it before the meeting.
