

Dear Athletic Directors,

The Genesee Area Volleyball Club has been an active community organization for over 35 years reaching players and coaches from many of the area high schools and middle schools. Many coaches and players have worked with our club to improve their knowledge, technique, skill and game. That being said, our club has dissolved and will not be able to service players and coaches as it has done in the past with onsite training and coaching opportunities in the community.

At this time, we would like to extend to 5 current varsity coaches in Genesee County a registration to the Michigan Interscholastic Volleyball Coaches Association Annual Clinic, March 8 – March 9 and a MIVCA school membership for the 2019-2020 school year. It is a way the Genesee Area Volleyball Club can give back to those that have supported the sport of volleyball over the years. MIVCA is our coaches' state professional organization, and has many initiatives and opportunities for coaches and players. The Annual MIVCA Clinic is one of those..

The Clinic will feature Mark Rosen, University of Michigan Women's Volleyball Coach, Michigan Staff, Tim Koth of Wayne State, Rob Beam, Oakland University, and others. Again, the clinic is a great way to network, stay informed and learn from the best.

The first five registration forms will be accepted. We look forward to hearing from you. Deadline for the Clinic offer is Monday, February 11, 2019.

If you're interested:

1. If it's just your Varsity Coach and the MIVCA School Membership Download Registration Forms.

You can type info into them, save, and email to cdgvolley@aol.com

School Membership entitles you to MIVCA Membership for 1-10 coaches and we suggest you include the Athletic Director. Fill in all the coaches info. Since some coaches may not be hired yet, you may add coaches until October 1, 2019. **This is no cost to your school.**

2. If you would like more then your Varsity Coach to attend at these bargain prices.
 - a. \$75 for second Coach
 - b. \$50 each for Coach 3 - 10

You would follow procedures as above, but print out forms after they are filled out, and instead of emailing forms, mail them with check for appropriate amount to

MIVCA
1313 Leisure Drive
Flint, MI 48507

You could email form with note that check will follow for extra coaches, to secure your spot.

True to the Game,

Claire Gentile ~ Founder/Co-Director
