

Dear Athletic Directors,

**Michigan Interscholastic Volleyball Coaches Association is organized exclusively for educational purposes: promote interscholastic volleyball, provide a forum for discussion, to improve the quality and quantity of media coverage and develop Volleyball in the State of Michigan.**

At this time, we would like to extend to 3 current varsity coaches a registration to the Michigan Interscholastic Volleyball Coaches Association Annual Clinic, March 8 – March 9 and a MIVCA school membership for the 2019-2020 school year. This is a way MIVCA can help schools challenged to send one or more coaches to clinics to send a coach this year. The Clinic is especially beneficial to young or new coaches.

The Clinic will feature Mark Rosen, University of Michigan Women's Volleyball Coach, Michigan Staff, Tim Koth of Wayne State, Rob Beam, Oakland University, and others. Again, the clinic is a great way to network, stay informed and learn from the best

The first five registration forms will be accepted. We look forward to hearing from you. Deadline for the Clinic offer is Monday, February 11, 2019.

If you're interested:

You would follow procedures as above, but print out forms after they are filled out, and instead of emailing forms, mail them with check for appropriate amount to
